Security Bank President Sums Up Activities

Security First National Bank's operating results for the first six months of 1961 were summed up today by Lloyd L. Austin, president, in eight words: "Increased income was surpassed slightly by increased costs."

Net operating earnings were \$13,912,849, equal to \$1.94 a share, against \$14,465,590, or \$2.02 a share last year, adjusted to reflect a 10 per cent stock dividend paid earlier this year.

"This drop of 3.8 per cent in net operating earnings compared with last year can be attributed largely to two major factors: higher interest payments to savings depositors, and increased salary costs for our enlarged staff," Austin said.

"THE NUMBER of savings depositors as well as the dollar value of savings deposits in our 260 branches reached all-time highs.

"We have added many people to our staff as a result of our long-range policy of investing in the future — new services to our customers, new and modernized branches, new equipment."

Not all income producing categories rose, Austin pointed out. Interest rates on many loans and securities were lower than for the same period a year ago, and the earnings reflected these changes.

TOTAL ASSETS, Austin reported, were \$3,699,216,965, up 7 1/2 per cent over the 1960 figure of \$3,441,999,241. Loans less reserves were \$1,649,322,122, against \$1,615,528,607, two per cent above 1960. Total securities rose to \$1,387,525,603, 23 1/2 per cent higher than the 1960 figure of \$1,123,417,239.

Total deposits as of June 30 were \$3,378,250,868, compared with \$3,143,621,430 at the end of six months of 1960. Time deposits were \$1,474,332,352, against \$1,241,427,299; demand deposits were \$1,903,918,516, compared with \$1,902,194,131 a year ago.

Total capital funds were \$264,043,493, against \$247,602,271; cash and due from banks \$588,352,604, compared with \$638,198,573.

New Local Streets in Harbor City

One-third mile of new local streets north of the Harbor City area has been completed and accepted as part of the Los Angeles County highway system, Supervisor Burton W. Chace announced today.

The streets, contained within a new tract in unincorporated county territory, were constructed by a private developer at an approximate cost of \$30,000 under the supervision of the County Road Department.

Supervisor Chace said the completed development is located geographically on the south side of 228th St. easterly of Vermont Ave. and contains 24 homes. The street improvements consisted of the construction of pavement, sidewalks, drainage structures, curbs and gutters.

In addition to these new streets and included in the cost of the project, the developer, according to Chace, widened the south side of 228th St. adjacent to the tract boundary, constructing sidewalk, curb and gutter here as well.

Parks Offer Golf Lessons

Golf lessons for youngsters 9-17 years old are continuing Tuesdays through Fridays at various parks throughout Torrance, under the auspices of the Torrance Recreation Dept.

Sessions will be held at Los Arboles Park, 5101 Calle de Arboles, from July 18-21; McMaster Park, 2624 W. 174th St., July 25-28; Paradise Park, Ellinwood and Lee, Aug. 1-4; La Romeria Park, Inglewood and Darien, Aug. 8-11; and Sea-Aire Park, Aug. 15-18. Sessions are from 2 to 5 p.m., Tuesday through Friday.
